

Please Prep before your Beauty Service!

FACE Prep

Trial: Exfoliated skin and lips, skin clean and hydrated. Please bring photos of makeup that you like, especially quality photos that show the entire eye.

Wedding: Good makeup starts with good skin! In the weeks leading up to the wedding drink plenty of water, and try to take especially good care of your skin. Lip Masks and conditioners are key. Exfoliate the skin a few days prior to the wedding day. Exfoliation treatments such as: Dermaplaning, microdermabrasion, peels, scrubs, etc. Do not try something for the first time right before your wedding day. Bridesmaids should have touch up kits available with essentials like; cotton swabs, tissues, lipsticks, glosses and blotting papers.

HAIR Prep

Trial: Bring photos of hair styles that you love, this helps the artist fully understand your vision! Look at someone with similar hair color and skin tone.

Wedding: Good Hair Starts the Night Before! Wash your hair the night before the wedding, blow it out smooth and as straight as you can without a flatiron, Skip adding any product to your hair.
